[In Game Purchases](#)

The way our children play is changing rapidly. One of the most striking new developments is the growing number of toys that are connected to the internet. To help parents cope with the challenges of this new connected play environment here is a checklist of ten points to consider when it comes to safety and children’s play. https://www.mediawijzer.net/wp-content/uploads/sites/6/2017/04/internetoftoys_brochure_ENGELS_PRINT.pdf

Lifebabble – a CBBC site with content dedicated to help children and young people navigate the online – and offline world. Aimed at children under 12 but looks “older”.
